### New Rehabilitation & Physiotherapy Wing Inaugurated

Sri Narayani Hospital & Research Centre marked another significant milestone with the inauguration of its new Rehabilitation & Physiotherapy Wing on 13th April 2026.

The ceremony was held with the divine blessings of beloved Sri Sakthi Amma and was graced by Prof. N. Balaji, Director & Trustee – Sri Narayani Group of Institutions. Special guests included Amma's devotees Dr. James Lunney and Ms. Yogini Mc Namara from Canada. The event was attended by Dr. Geetha Inian, Medical Superintendent, Dr. Madhavi, Administrative Officer, Dr. Janani, Consultant & Unit Head – Ayurvedic Centre, along with HODs and staff members. The newly inaugurated wing aims to strengthen comprehensive rehabilitative care by offering advanced physiotherapy and recovery-focused services, helping patients regain mobility, independence, and improved quality of life.

## Academic Excellence Celebrated at SNHRC

With the divine blessings of beloved Sri Sakthi Amma, Sri Narayani Hospital & Research Centre proudly celebrated an important academic milestone as the first batch of final-year MEM (PG) students successfully completed their thesis work.

The students received blessings and encouragement from Prof. N. Balaji, Director and Trustee of Sri Narayani Group of Institutions, in the esteemed presence of Dr. Geetha Inian, Medical Superintendent, and Dr. Joshua Vijay, Consultant in Emergency Medicine.

This achievement reflects SNHRC's continued commitment to nurturing future healthcare leaders through excellence in education, clinical exposure, and research-driven learning.

## Department of Nursing Conducts Successful CNE Program

**Date: 25 Apr 2026**

The Department of Nursing at SNHRC successfully organized a Continuing Nursing Education (CNE) Program on 25th April 2026 at the Conference Hall, SNHRC, with the divine blessings of Sri Sakthi Amma. The program was inaugurated by Prof. N. Balaji, Director of Sri Narayani Group of Institutions, alongside Dr. Geetha Inian, Medical Superintendent, Dr. Sakthivelan, Deputy Medical Superintendent, and the Nursing Superintendent. The event witnessed enthusiastic participation from consultants, Heads of Departments, nursing supervisors, nurses, and staff members. In addition to insightful academic sessions, the program featured various skilled stations that enhanced practical learning and professional competency among participants.

The CNE program reaffirmed SNHRC's dedication to continuous professional development and quality patient care.

## Advanced Spine Surgery Restores Hope and Mobility

Date: 16 Apr 2026

Sri Narayani Hospital & Research Centre continues to set benchmarks in advanced neurosurgical care with the successful correction of a rare and highly complex spinal condition — Grade 5 L5-S1 Spondyloptosis.

Led by Dr. Jacob E. Mathew, the Neuro & Spine team performed the intricate procedure with remarkable precision and expertise. The transformation from “Before Surgery” to “After Surgery” stands as a testament to SNHRC’s commitment to delivering advanced treatment, restoring mobility, relieving pain, and improving patient outcomes.

This success story highlights the hospital’s growing excellence in specialized neuro and spine care, backed by skilled professionals, modern technology, and compassionate treatment.

**Grade 5 L5-S1 Spondyloptosis, a rare complex spinal deformity.**
