Serving Humanity During Chitra Pournami Festival

With the Divine Blessings of our beloved Sri Sakthi Amma, Sri Narayani Hospital & Research Centre (SNHRC) actively participated in the Chitra Pournami Festival held at Thiruvannamalai on 1st May 2026. As part of our commitment to community healthcare, the hospital organized First Aid Initiatives for thousands of devotees attending the festival. Our dedicated medical team provided timely emergency care and health assistance, ensuring the safety and well-being of pilgrims throughout the event.

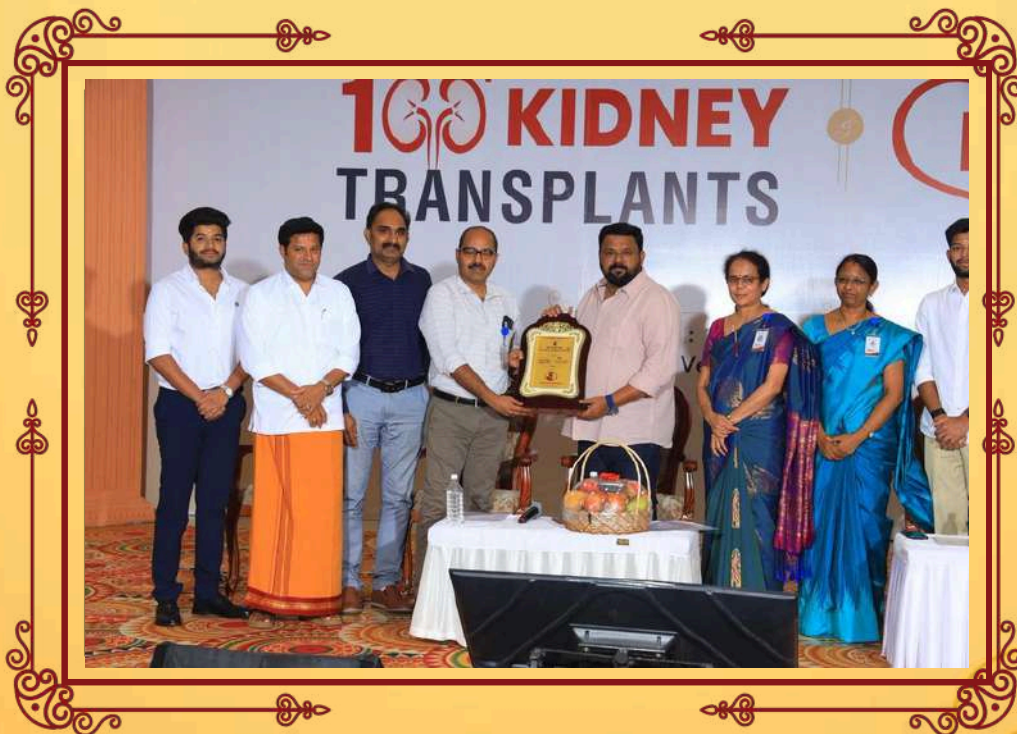

Celebrating a Historic Milestone: 100 Successful Kidney Transplants

Date: 12 May 2026

SNHRC proudly achieved a remarkable healthcare milestone with the successful completion of over 100 Kidney Transplants. This achievement reflects the expertise of our transplant team, the dedication of our nursing staff, and the trust placed in us by our patients and their families.

To commemorate this significant accomplishment, a special celebration was held on 12th May 2026 at Sri Narayani Mahal, coinciding with International Nurses Day. We were honored to welcome Mr. Gopinath Chandran, renowned Indian Television Anchor, as the Chief Guest.

World Emergency Medicine Day 2026 – Continuing Medical Education Programme

Date: 27 May 2026

The Department of Emergency Medicine organized the World Emergency Medicine Day 2026 CME Programme titled 'Essential Emergency Care for Primary Care Doctors' on 27th May 2026 at Sri Narayani Mahal.

The CME featured expert lectures and hands-on workshops designed to strengthen emergency response capabilities and improve patient outcomes. Consultants, Heads of Departments, medical practitioners, and hospital staff actively participated in the programme.
